

All the fun of the Fèis live in your living room!

- A unique chance to peek in on other classes... if you play the fiddle, why not tune in for the pipe class and learn those tunes on your fiddle, for example?
- A unique opportunity for people of all ages to come together and learn: usually our residential courses are aimed at specific age groups. Anyone can enjoy this online festival!
- All workshops will be pitched at approximately an intermediate+ level, but we'd encourage everyone in our Fèis community to get involved.
